

Rules for the permanence of doggies in our Hotel

- Maximum two dogs per room is accepted with an extra charge of € 5,00 per night (each dog)
- We recommend to keep your dog on a leash, both inside the hotel's areas and outside (garden, playing-ground, parking).
- Dogs are not allowed into the hotel's restaurant, breakfast room, pool area and also into our private beach.
- We kindly ask you to lead the "go walkies" of your dog just outside the hotel ground.
- We kindly ask you not to leave your dog alone in your room for long periods.
- We kindly recommend not to let your dog jump on beds, armchairs, sofas, tables etc. If that happens, the additional cleaning of your room or of the common areas will be at your own charge. If your dog causes damage to the hotel's property, they will also be at your own charge.
- We kindly ask you not to use the hotel's bed linen or bath towels for your dog's cleaning or bedding or any other use.
- Due both to security reason and to your dog's comfort, the housekeeping will not enter in your room if your dog is inside. Please agree with the reception team the time for the daily cleaning service.
- The Management reserves its right to rescind from the reservation contract, at any time and without any advance notice, in case these rules should not be respected.

Thank you for your understanding and appreciating the acceptance and respect of the above-mentioned rules, we wish you a pleasant stay.
